Thomas “Rock” Adams

Commander
G.C.B.A. - 2024

FROM THE COMMANDER

Greetings, I am honored to serve as the G.C.B.A. 2024 Commander. I want to express my deepest gratitude for the trust and confidence that has been placed in me to lead this esteemed organization. I am humbled by this opportunity to serve and contribute to the rich maritime heritage of Greater Cleveland.

First and foremost, I would like to acknowledge and thank my predecessors for their dedication and hard work in steering this association to where it stands today. Their commitment to fostering a vibrant boating community has laid a solid foundation upon which we can build an even brighter future.

As Commander, my primary goal is to ensure that the Greater Cleveland Boating Association continues to thrive as a beacon of excellence and camaraderie for boating enthusiasts in our region. Boating holds a special place in our hearts, representing freedom, exploration, and a profound connection to nature. It is through the passion and dedication of individuals like yourselves that the boating community in Greater Cleveland has thrived, growing stronger year after year.

One of the key pillars of our association is fostering a strong sense of community. Our shared passion for boating unites us, regardless of our backgrounds or the size of our vessels. Whether you are a seasoned sailor, a powerboat enthusiast, or a novice setting sail for the first time, we are all united by the love

FROM THE COMMANDER...continued

of the water and the joy of navigating its vast expanse. Let us embrace this diversity and use it to strengthen the bonds that tie us together as boaters and as friends.

As we embark on new voyages and face new challenges, I urge each of you to stay committed to the principles that have made our boating community strong. Let us continue to share our knowledge, support one another, and promote safety, respect, and environmental stewardship on the water we hold dear.

Lastly, I want to emphasize that this association belongs to each and every one of you. Your ideas, suggestions, and participation are invaluable in shaping the future of our boating community. I encourage you all to actively engage with the association, attend our events, and share your expertise and passion with fellow members. Together, we can create lasting memories, forge lifelong friendships, and ensure that the Greater Cleveland Boating Association remains a thriving and dynamic organization for generations to come.

Wishing you fair winds and smooth seas in all your boating endeavors!

Sincerely,

Thomas "Rock" Adams
2024 GCBA Commander

Kathryn McCarthy

Vice-Commander
G.C.B.A. - 2024

FROM THE EDITOR

I am pleased to present to you the 2024 edition of the Greater Cleveland Boating Association “Who’s Who in Boating”. Every year, GCBA works hard to obtain the newest information effecting our boating endeavors. This includes the most recent updates in safety regulations, current happenings in political action, most updated information regarding officers and committees from our member yacht clubs, and important information regarding the many social activities that will be happening throughout the season. I hope you will refer to this book for useful information.

This book would not be possible without the support of our many advertisers and patrons. I would personally like to thank each and every one of them. I encourage you to please patronize these advertisers if there is a service you are in need of. Let them know you saw their ad in the “Who’s Who” book! I would also like to thank all our member clubs for their support. All of you are what makes the “Greater Cleveland Boating Association”.

This book is a collaborative effort by a committee and would not be possible without its help. A special shout out to those that assisted me, **Tony Ciero** and to **Thomas “Rock” Adams** for all their help.

In closing, I would like to thank all the GCBA supporters and I wish everyone a safe and enjoyable 2024 boating season full of warm breezes, calm waters, and lots of sunshine!

Kathryn McCarthy

Editor

GCBA Vice Commander - 2024

About the Cover

In the captivating cover photo on the 2024 edition of the Greater Cleveland Boating Association's "Who's Who In Boating," the focus naturally gravitates toward the boaters underway. In this moment, all attention is drawn to the boaters on the water, their presence a testament to the universal joy and beauty found in the art of boating.

The setting sun casts a warm glow as the boat travels effortlessly through the water. With each turn of the motor, a sense of freedom and serenity envelops the boaters, transporting them to a realm where worries dissipate amidst the vastness of the lake.

Amidst the tranquil waters of Lake Erie, a scene unfolds that embodies the timeless allure of boating. The lapping of waves against the hull provides a soothing rhythm as the boaters navigate the expansive expanse of azure blue. Against the backdrop of the sky, the boaters gracefully maneuver the vessel against the serene horizon.

As the sun dips below the horizon, the boaters continue their journey, a symbol of resilience, determination, and the enduring spirit of exploration that unites all who venture forth onto the shimmering waters of Lake Erie.

Political Action Update

The Political Action Committee represents the association at meetings and interfaces with politicians on the local, state, and national level to express the needs of boaters. The GCBA represents the interests of all types of boaters including sail, power, and paddle. Many of our members enjoy all these aspects of our sport. The waters of the great lakes should be preserved from pollution, invasive species, and regulations that impact the enjoyment of this great natural resource. Our political action committee will be vigilant on all these fronts.

Some of the critical issues we face include:

- Harmful algae bloom
- Invasive species
- E-15 fuel
- Dredging recreational harbors
- Stopping water withdrawal from the Great Lakes
- Wind farm in Lake Erie
- High water level impact, low ice coverage
- G5 Cellphone interference with GPS
- Survival of yacht clubs faced with government push for public access to Lake Erie shoreline
- Boating safety including Electric Shock Drowning prevention, boating safety training

To further our reach in the interests of recreational boaters, the GCBA participates with the following organizations:

- Interlake Yachting Association (I-LYA)
- International Blue Gavel (IOBG)
- Associated Yacht Clubs (AYC) organization located in Michigan and far western Ohio
- Great Lakes Small Harbors Coalition
- Boating United
- Greater Cleveland Boat Show
- Boating Association of Ohio (BAO)
- Ohio Waterways Safety Council
- Cleveland CHEERS Development

Volunteers are welcome to help us. Please make yourself known.

Political Action Update

Project Icebreaker Windmills

Ohio Citizens opposing this project to install six large windmills in the Lake off Lakewood to generate electric power have won their battle. The project is suspended for lack of support and funding. It may come back around so make your opinion heard in Ohio state and local government.

Microplastic Particles in Lake Erie

Waste plastic including shopping bags, water bottles, carryout food containers, and clothes washing wastewater is a new pollution concern. Plastic is in everything we touch. It pollutes our environment and is now getting found in seashore and water from Lake Erie. The plastics get essentially ground up into microscopic sized particles by the lake ecology system. Studies are underway to determine the need and the methods available to control our intake of this pollution. It also gets into lake fish and other wildlife. The GCBA will update news on this topic.

CHEERS in Cleveland

The Cleveland Harbor Eastern Embayment Resilience Strategy (CHEERS) project is now in the design phase. This 30-year long mission is intended to make the lakeshore from east of the Cuyahoga River out to MLK Blvd more natural, more useful, and more accessible to residents. Dredged material will become a new island accessible by residents. The GCBA has recently been accepted as a stakeholder by project management. It is our goal to represent boaters' needs and interests as the project develops into reality. Check the internet for more details. If boaters are quiet, we will not be happy with the plan. Let us know what you think!

Clean Marinas

Ohio Sea Grant has been active promoting Marinas and Yacht or Boat Clubs become active participants in the Clean Marinas program. They will help your club in this process. Their help is friendly and free of charge. The Ohio EPA is enforcing a 2018 change in the Clean Water Act that requires many marinas to adopt steps like containing boat bottom powerwash runoff and dispose of the polluted water appropriately. Storm water runoff is also a controlled situation. The Clean Marina process will provide free help understanding the EPA requirements and help your club obtain required certificates from them.

Forever Chemicals in the Lake

Microplastics are not the only Lake pollutant coming into focus. Perfluoroalkyl and polyfluoroalkyl compounds, known as PFAS, are found in fish in every lake, including importantly, the Great Lakes. These are known as forever chemicals. They accumulate in all of us and wildlife around lakes. Fish included. Industrial runoff is a major source of these chemicals. Michigan companies are working on a carbon filter to reduce these chemicals from reaching the lake. This is an emerging concern the GCBA will follow and report on.

Federal Law to Help Lake Erie

A federal bill signed into law includes provisions to protect water quality and combat invasive species in Lake Erie.

U.S. President signed the law which earmarks almost \$817 billion to the Defense Department.

One of the provisions pertains to the dredged materials hauled up from the bottom of Lake Erie when the U.S. Army Corps of Engineers carries out dredging in Ohio's eight federally recognized harbor. Let's all keep an eye on this one as well H2O Ohio clean water efforts to limit farm runoff that causes algae bloom

Avon Power Plant Project

"STACKS" visible from the Lake at Avon Point are part of an electric power plant which has been decommissioned. A project is underway to replace the plant with modern condominiums and retail buildings including a nice area for citizens to enjoy a view of the Lake. This is really happening now! Demolition has begun. The tallest Stack will be left in place as it provides a line of sight high speed data link between New York and Chicago stock exchanges. All else is to be removed. Plans include a boat marina with up to 50 ft long docks possible. As many as 150 to 180 docks will be included. A haul out pit is part of the plan and potentially an off site storage located a short distance away. A developer has not been selected for the marina yet, but the plan includes it to be completed by 2025.

Look for more public meetings in the area as development continues.

BOAT CLUB OF THE YEAR & MOST PARTICIPATION AWARD

CATAWBA WEST HARBOR YACHT CLUB

When CWHYC was organized in April of 1968 it began with a mere 6 memberships. This number quickly grew and by the end of that year they had 44 memberships. The club was beginning to plan a future that would include many fun events! After renting at Sailor's Beach Basin for several years, the club decided to move into a building at Gem Beach which they eventually purchased. In the next several decades improvements were made to this facility that allowed members to host and participate in poker runs, cruises, regattas, balls and many other events.

Unfortunately, in 2003 the club was destroyed by a fire. It was a total loss and CWHYC would be faced with starting over. After the rebuild, economic hardship struck and membership decreased so low that there would not be enough revenue to maintain the building. It was eventually sold. Determination and dedication were key for a few members of CWHYC. They worked hard to keep the club together and successful. Slowly the membership once again began to grow!

Fast forward to today, CWHYC has over 175 memberships and counting! CWHYC has proved that it isn't the building, it's the people that make this club strong. This combined passion for fun and adventure keeps us looking forward to our next outing or get together!

The strength of our club remains as our motto states:

Good Friends, Great Boating

BOATER OF THE YEAR

Lloyd Bogue ***ASHTABULA YACHT CLUB***

We honor Lloyd Bogue again this year as our “Boater of the Year”. As a past recipient of this award he has continued to demonstrate his desire to promote the love of boating around the Great Lakes by serving as the Commodore of Inter-Lake Yachting Association this past year. He not only represented the Cleveland area, but the entire Great Lakes. Spreading the love and joy of the sport from the Mackinaw to Kingston Ontario.

He and Lady Rhonda continued their boating adventures aboard “Stress Relief” and look forward to many more adventures this coming summer. The Greater Cleveland Boating Association congratulates Lloyd & Lady Rhonda as the 2023 Boater of the Year.

DELEGATE OF THE YEAR

Christopher G. Aune ***CHAGRIN RIVER YACHT CLUB***

Like many of you I had the luxury of growing up on Lake Erie. I enjoy looking at her whether by the shoreline or preferably at the helm of my boat.

As a teenager I was lucky to have friends that had small 16' Lyman boats and spent the summers on Lake Erie enjoying water skiing, fishing, and swimming. As I got older my wife Gina and I purchased a 30 ft. O'Day sailboat which we loved sailing along the Erie Shores. When our children got old enough (daughter Christen and son Aaron) we bought our first power boat. We spent many summers on inland lakes and on Lake Erie when the winds were favorable. Then in 2004, we joined Borac's Landing Marina on the Chagrin River. Looking to get more involved with other boaters, we joined the Chagrin River Yacht Club in 2007.

It did not take long for me to get on the Flag at CRYC and in 2014 I served as Commodore. In 2010 I was appointed Club Delegate to the GCBA, and I still hold that title today.

In 2016, I was elected to the position of Rear Commander of the Greater Cleveland Boating Association and served as Commander in 2018. I have served as a GCBA Trustee since 2019.

Serving on the Board of the GCBA has enlightened me in many ways. I have learned a lot about the importance of the conservation of our precious Lake Erie and all the Great Lakes for boating, fishing, swimming, recreation, and the protection of its natural eco system.

Board your boat and enjoy Lake Erie, have fun and be a safe boater!

Christopher G. Aune, 2018 GCBA Commander & P/C Chagrin River Yacht Club

MOST SPIRITED

NORTH COAST SAILING SINGLES

North Coast Sailing Singles (NCSS) is a nonprofit organization of approximately 150 single men and women drawn together by a common interest in boating and having fun. Our skippers have boats docked on the shores of Lake Erie from Cleveland's East 55 to Sandusky Bay and participate in evening sails, day sails, weekend sails, and an annual regatta.

You could stop here, or also include the following...

NCSS offers a variety of social events year-round and focuses on boating events that promote safety and fun on the water. We welcome singles with all levels of boating experience, from novice sailors to seasoned skippers. Boat owners (sail or power) looking for cruising or racing crew will find an enthusiastic group of individuals ready to sail at the hoist of a jib or the turn of a key.

If you are single and enjoy being out on the water, whether you're a seasoned boater or have never sailed but would like to try, then NCSS is for you. Don't let Lake Erie's short sailing season slip away. NCSS will get you on the water! Check us out by joining us as a guest at our next general membership meeting.

The Joe Chase Memorial Benefit Fund

The Joe Chase Memorial Benefit Fund was named after the late **Joe Chase** in recognition of his years of service to the **Greater Cleveland Boating Association** and for his dedication to the boating community.

Joe helped organize the Lake County Yacht Club and West Channel Yacht Club. He was a past Commodore of the Lake County Yacht Club and a charter member of the West Channel Yacht Club. He was Chairman and secretary of the Chagrin River Association and was very active in securing funds for the Chagrin River wing wall project.

Joe worked for the Inter-Lake Yachting Association and was one of the organizers of the Power Boat Regatta. He was Chairman of the regatta that was held at Kelly's Island and was awarded the "Skipper of the Year" that year. This regatta was sponsored by the **GCBA** and the following year, the Power Boat Regatta was approved and adopted by the **I-LYA** and has since been held in Put-in-Bay.

He was Chairman of the Bowling Tournament and Banquet for many years. He also served as Chairman of the Commander's Ball for over 12 years. Joe was selected in 1987 as **GCBA** "Man of the Year."

The Joe Chase Memorial Benefit Fund was organized in 1992 by the **GCBA** to directly help its recipients. Contributions have been made by many deserving organizations over the years. Going forward, contributions will focus on boating safety and boating education.

Money for the fund is budgeted yearly from fundraiser and donations from member yacht clubs, individuals, and organizations.

REMEMBER. HONOR. SUPPORT.

MEMORIAL DAY SERVICE ON USS COD

Join us for a special ceremony as we remember those who have served and sacrificed for our country aboard the historic USS Cod.

Parade line up will begin at Burke Lake Airport at approximately 9:30am. Together we will march to the USS Cod.

Anyone wishing to have a family member honored during the service must please send a notice to Flag Lieutenant Nick Hostottle @ nickhostottle@yahoo.com **by May 17, 2024**. Please include the full name of family member, name of club membership, and/or branch of office.

Any deceased members names provided before March 1, 2024 will be added to the "Who's Who" book.

We look forward to seeing many of you on May 27th, 2024!

Greater Cleveland Boating Association

COMMANDER'S BALL

November 8th, 9th & 10th, 2024

Please join us at the Doubletree in Westlake as we:

- Thank the outgoing 2024 Officers for their year of service.
- Install the 2025 GCBA slate of Officers.
- Issue awards for Boater, Club and Delegate of the year.
- Enjoy a great dinner with friends and fellow boaters.
- Take a chance on winning several raffles, 50/50s and gift baskets followed by live entertainment and dancing.
- Enjoy a fun and relaxing weekend taking advantage of all the amenities the Doubletree has to offer.

NOTE: Members are welcome to attend the induction ceremony and dinner on Saturday if an overnight stay is not possible. Either way, all GCBA affiliated club members are welcome and sure to have a great time!

To RSVP, please contact Treasurer Tony Ciero
at 216-210-9015 or by tony@nsr911.com.

For additional information on the Ball,
please contact Kathryn McCarthy at 216-470-2857
or by email: kmccarthy725@yahoo.com.

Also, more info may be found on the GCBA website
www.gcba.us

HISTORY OF GREATER CLEVELAND BOATING ASSOCIATION

The Greater Cleveland Boating Association is a non-profit Ohio chartered organization consisting of representatives of fifty-two boating and yachting clubs located on the south shore of Lake Erie in Ashtabula, Lake, Cuyahoga, Lorain and Erie counties. Delegates from member clubs attend monthly meetings at the various clubs.

GCBA is dedicated to the advancement of aquatic recreation in all forms, including boating, fishing, swimming and the development of necessary facilities. GCBA represents approximately 8,000 club-affiliated boat owners as well as countless thousands of others. GCBA is the eyes, ears and voice of this ever-growing group of sportsmen and is constantly alert to help provide new facilities and protect the existing ones against destruction.

GCBA was founded in 1946. Following are but a few of the most notable GCBA achievements.

- 1946** - GCBA conducted city-wide regattas that attracted thousands of spectators to Cleveland's waterfront.
- 1952** - Construction of a divided freeway, the marginal roadway now known as the Shoreway and proposed relocation of Cleveland Builders' Supply would have destroyed Forest City Yacht Club and Gordon Shore Boat Club. GCBA caused CBSC to be located on the Cuyahoga River and kept the boating facilities safe in their present locations.
- 1953** - GCBA obtained 40,000 signatures on petitions asking for small boat facilities in the Department of Port Control. Cleveland constructed the first small boat launching ramps for free public use at a cost of \$600 each. They were constructed at Wildwood Park, Gordon Park, East 49th and Donald Gray Garden.
- 1954** - GCBA assisted Wildwood Yacht Club in obtaining a lease and established its location at the foot of Neff Road.
- 1957** - GCBA was instrumental in having weather conditions broadcast along the south shore of Lake Erie. In the sixties GCBA continued to work in such areas as lease renewal. GCBA provided representatives to speak against legislation aimed at boaters.
- 1978** - Ohio was given stewardship of Cleveland's lakefront parks and GCBA learned of ODNR's intention to assume control of Cleveland's yachting and boating clubs. ODNR indicated that the private clubs would be pre-empted, become public marinas and the docks would be allocated on an annual raffle system. GCBA opposed this move and succeeded in obtaining fifteen-year leases for all clubs in the Cleveland State Park System.

- 1979 -** GCBA caused a city ordinance to be passed prohibiting the use of gill nets within a two mile limit of the shoreline. GCBA sent representatives to meetings in Columbus which resulted in the abolition of all gill nets in Ohio. GCBA also assisted in having Ohio's Walleye fish declared a game fish, and as such, be protected from commercial netters.
- 1982 -** Ohio, in its rehabilitation plan for Wildwood Park, intended to abolish the east small boat launching ramp. GCBA protested and the State subsequently modified its plans and this ramp is still in useful operation.
- 1983 -** Edgewater Park boat ramps were about to be redesigned so that several of the boat ramps would be lost. GCBA intervened and Edgewater ramps are still intact. GCBA provided leadership in motivating the construction of a breakwall at the mouth of the Chagrin River.
- 1984 -** ODNR planned to narrow the entrance into the harbor at Wildwood Park. GCBA recommended an offshore breakwall instead and the State agreed.
- 1987 -** GCBA formally created a Political Action Committee. They successfully opposed a plan by the State which would have eliminated security fences, relocated boat storage and installed a bike path through the clubs on the Cleveland waterfront.
- 1988 -** GCBA collected 10,000 signatures on petitions supporting a ban on phosphates in detergents in the 35 counties in the Lake Erie Basin. This grass roots effort resulted in passage of a bill which was signed into law by Governor Celeste at Lakeside Yacht Club.
- 1989 -** GCBA conducted a public opinion poll to determine the need for mandatory boat licensing.
- 1990 -** GCBA opposed the new boater tax as unjust and recommended immediate repeal.
- 1992 -** Established the Joe Chase Memorial Benefit Fund. Recommended voluntary boating education as opposed to mandatory operator's licensing.
- 1993 -** GCBA assisted with the repeal of the ship station license fee for marine radios.
- 1994 -** GCBA received an award from the National Water Safety Congress in appreciation of the organization's active leadership to promote boating safety through its PAC.
- 1997-98 -** Succeeded in modifying the INS inspection program for small boats returning from Canada. Thirteen videophones have been installed along the Ohio lakefront. Established a motto - GCBA: The voice of the recreational boater.

- 1999** - After four years of petitioning, the Ohio legislature finally increased the gas revenue tax allocated to the Waterway Safety Fund from 1/2% to 3/4%.
- 2000** - GCBA, in conjunction with BAO, successfully lobbied for an increase in the gas tax allocated to the Waterway Safety Fund. The 1/8% is approximately \$2 million.
- 2001** - Inducted five new clubs into GCBA, expanding both our size and area.
- 2002** - GCBA was instrumental in having the Grand River dredged up to the Federal Waterway. GCBA is recognized nationally as the only recreational boating association that initiates legislation thru political activity.
- 2003** - GCBA provided leadership to the lakefront clubs in their opposition of the elimination/destruction of these clubs. Also active in the lakefront development process for Cleveland.
- 2004-05** - GCBA continued to monitor the recommendations of the Cleveland Lakefront Development Plan as it effected the clubs and the recreational boater.
- 2008** - GCBA petitions at boat shows to support creation of a national ballast water standard which would apply only to commercial ships.
- 2010** - Solicited petitions at the annual Boat Show to reject any petitions for a waiver of the Clean Air Act to allow distribution of E15. We urged studies to determine the effects of mid-level ethanol blends on the safety and operability of existing marine engines in America's recreational boats.
- 2011** - GCBA continues to monitor the ethanol issue in marine gas as it effects marine engines and their parts.
- 2012** - GCBA has been vigilant in following the algae bloom, asian carp and water removal problems in the Great Lakes
- 2013** - The GCBA is still following the issue to raise the gas to E15, which we and the marine industry oppose as being harmful to boat engines and cause expensive repairs.
- 2014** - GCBA conducted surveys at the Mid-America Boat Show to see how boaters feel about the installation of wind turbines on Lake Erie.
- 2015** - GCBA petitioned the state of ohio to continue the waterway safety council and continued to support the efforts to clean up the algae blooms in Lake Erie.
- 2016** - GCBA collected petitions at Mid American Boat Show to save the Waterway Safety Council to protect the Waterway Safety Fund
- 2017** - GCBA partnered with the Lake Erie Foundation to have petitions signed to limit the allowable amount of phosphorus from manure and fertilizers that find its way into the Lake and to have the Governor declare the Western Basin of Lake Erie impaired under the Clean Water Act.

- 2018** - GCBA informed boaters of the Kidde fire extinguisher recall at the Mid American Boat Show. We also gave away a new electronic flare unit and also collected Hawaiian Shirts for the Hawaiian Shirts for deployed soldiers GCBA partnered with LEMTA to stop installation of wind turbines in Lake Erie.
- 2019** - GCBA & LEMTA continued their work to stop the installation of wind turbines on Lake Erie. Boaters experienced record high water levels resulting in docks under water and flooding in some areas.
- 2020** - GCBA and other organizations, faced with the Covid 19 Pandemic required many events to be cancelled. To keep everyone's health and safety a priority, the GCBA E-Board continued their meetings via zoom in order to continue their work for water safety. High water levels continued in 2020.
- 2021** - GCBA has implemented all meetings to be virtual and in person. Improvements to the Joe Chase Memorial Benefit Fund have been made working with local law enforcement agencies by doing vessel safety checks at random Edgewater boat ramps while also being involved in supporting OBEC class thru ODNR. Also we have started a new fundraiser for the Joe Chase Memorial Benefit Fund at Rock-n-Dock every summer 2022 will be the second one.
- 2022** - GCBA has converted from a 501 C6 to a 501 C3 helping with donation tax deductions and to help the organization grow. This will also help with possible receiving grants to help boaters in our organization.
GCBA started active participation in State of Ohio Water Safety Council and the Ohio.
- 2023** - GCBA Informed member clubs of changes in the Clean Water Act that could affect clubs by requiring storm water run-off and wastewater (bottom power washing run-off) permits from the Ohio EPA.
- 2024** - Windmills in Lake Erie project put on hold after citizen feedback and opposition by boater organizations along with funding short comings finally worked.
GCBA became recognized as a stakeholder in the Cleveland lakefront project (CHEERS). Will express boater interests as the project unfolds over the next 30 years.

Robert Himes, Historian

GCBA SUMMER RENDEZVOUS at HURON BOAT BASIN JUNE 21-23, 2024

Theme will be “LUAU PARTY AT THE DOCKS”

SCHEDULE OF EVENTS

FRIDAY JUNE 21

- 12:00 - 6:00 Registration & Check-in at HBB docking office.
- 7:00 – 9:00+ Event Kick-off Party – burgers, dogs, chips, roasted marshmallows/smores draft beer and music by the docks - cost TBD but will be minimal. The evening will include a 50/50 raffle and a contest for best dressed male and female costume. Use your imagination and let us see your most “original” Hawaiian attire.

SATURDAY JUNE 22

- 6:30 – 10:00 Coffee, juice, donuts and “eye openers” by the docks (“**only donuts**” from 6:30 – 7:30)
- 7:00 - 1:00 **Annual GCBA Golf Outing.** This year’s course will once again be Thunderbird Hills Golf course. Contact Pat McIlwee directly @ 216.214.6111 for cost and reservations.
- 9:00 – 1:00 Registration & Check-in at HBB docking office. Tickets will be made available for the donated auction gift baskets. **In addition, each club/organization is asked to supply a Gift Basket with a value of at least \$80 to raffle off.**
- 2:00 – 3:30 **IOBG COCKTAIL PARTY** – Please bring an appetizer to share during this event. An array of complimentary adult beverages will be provided courtesy of IOBG. 50/50 raffle tickets benefiting IOBG will also be sold.
- 3:30 – 4:30 Reveal winners of Auction Baskets, IOBG 50/50 drawing and golf prizes.
- 5:00 - 7:00 **CATERED DINNER** – Hawaiian Chicken, Pulled Pork, Vegetarian Lasagna, Yukon Gold potatoes, Grilled Vegetables, Garden Salad, rolls/butter, fruit, and dessert. Complimentary draft beer and non-alcoholic beverages will also be provided during dinner. Dinner cost is \$35 per person in advance. **NOTE: DINNER TICKETS MUST BE ORDERED & PAID FOR IN ADVANCE SO FOOD CAN BE ORDERED. SAME DAY DINNER TICKETS WILL NOT BE AVAILABLE.** Dinner tickets must be purchased no later than Friday 6/15/24 (see note below).
- 7:00 – 10:00 Enjoy live classic rock by “Leading Edge” at the Boat Basin Amphitheater

SUNDAY JUNE 23

- 8:00 – 10:00 Coffee, juice, donuts and “eye openers” by the dock.

Dockage reservations at the HBB can be made by calling Doug Steinwart at 419.433.4848. Limited Dockage is available so reserve early.

Send dinner payment & order form to Kathy McCarthy - 8577 Hilltop Dr. Mentor, Ohio 44060. Kathy can be reached at 216.470.2857 or kmccarthy725@yahoo.com.

Put-in-Bay's Best Dockage Program

The Park Place Boat Club and The Boardwalk are proud to present their 2024 Dock & Dine. The program provides a boater with a guaranteed dock Sunday through Thursday at Put-in-Bay. Enjoy the comfort and assurance of knowing there is a dock waiting for you when you decide to spend a day at the bay.

2024 Dock & Dine

Put-in-Bay's most popular weekday dockage program

Sunday through Thursday - Reservations are not necessary!

For a guaranteed dock, call 419-285-6183 or hail Park Place Boat Club on CH 79.

HOW IT WORKS:

Dock \$30

Sunday - Thursday
10:00 am - 8:00 pm
Holidays excluded

Dine \$20

Receives \$20 in Boardwalk Bucks good at The Keys, The Boardwalk, Rita's Cantina, Local Color, Lobster Trap, Hooligans and Dairy Isle

Result \$10

A Happy boater who spent **only \$10** for a dock at the bay

PAST COMMANDERS OF G.C.B.A.

The **Greater Cleveland Boating Association** has etched the names of fifty-eight Past Commanders into its archives during the past seventy-eight years. They stand as a symbol of the dedication of men and women who have given their time and talents to the advancement of water recreation. The challenge of the new century is to live up to the high standards set by our past leaders of the **Greater Cleveland Boating Association**.

Call above clubs for reservations and up to date information.

Greater Cleveland Boating Association Directions to Affiliated Clubs

Al Koran Mariners Y C

Meetings are held @ Bratenahl Place. Take Rt. 2 to Eddy Rd exit, turn North. Go straight to the lake and turn into Bratenahl place on your left. Meetings are held in the South Building.

All Ports Y C

From the East take Rt. 2 and take the Rye Beach Rd. exit, turn right (N). at the top of the exit. Go 300 yards and turn left (W) on RT. 6. go about 4 miles past TGI Fridays and turn right toward Cedar Point. At the light at First street turn left (W) turn right into the Venetian Marina Parking lot and proceed through the gate to the water. From the West exit @ Rt. 250 and go north, Follow the signs for the cedar point causeway. When you turn Left @ TGI Fridays begin to look for first street on the left.

Ashtabula Y C

Take 90 East to Rt. 11 N. Take Rt. 11 North until you dead end into Lake Rd. and take a left. Go down into the harbor and cross the lift bridge and look to your left. Take the drive to the left at the Ashtabula Y C Sign and proceed in.

Beaver Park Y C

Take Rt. 2 to the Oak Point exit and go north until you dead end into Lake Rd.. Take a right at Lake Rd., and then the next drive on the left, be careful going over the railroad tracks there are no lights. Come straight in to the grey building.

Catawba West Harbor Y C

Rt. 2 West or East to Rt. 53 north 4 or 5 miles, turn right onto Twin Beach Rd. (the entrance to Gem Beach) Follow the road in the club house will be on the left across from the Gem Beach building.

Chagrin Lagoons Y C

Take Rt. 91 North from 190 or Rt. 2 freeway. Rt. 91 dead ends into Lakeshore Blvd. Turn right (East) on Lakeshore, at the first light take a left. Proceed all the way in past CEI. And enter at the sign.

Chagrin River Y C

Located approximately 1 mile East of the intersection of State Route 91 and Lakeshore Blvd in Eastlake, Ohio. Take Rt. 91 North from 190 or Rt. 2 freeway. Rt. 91 dead ends into Lakeshore Blvd. Turn right (East) on Lakeshore. After you cross the Chagrin River, just before the traffic light at the top of the hill at Hillcrest Dr, turn left onto the club grounds. The meeting room is located in the quansut hut.

Cleveland Y C

From I-90/Rt. 2 from and the West take the Detroit Rd. exit, turn left at exit ramp light onto Detroit Rd. Go 9 lights to the Detroit-Wooster intersection and turn left onto onto Wooster Rd.. Go Past large pink building (Westlake Condos), under railroad trestle bridge, staying in right lane will put you on Yacht Club Drive, go down the hill cross over small bridge. From I-90 and the east take the Hilliard/Rocky River Exit. At exit ramp light turn left onto Hilliard, then turn left onto Wooster Rd. Continue on Wooster crossing Detroit Rd. intersection Go Past large pink building (Westlake Condos), under railroad trestle bridge, staying in right lane will put you on Yacht Club Drive, go down the hill cross over small bridge.

East Light Y C - Located at Rt. 2 E. 55th St. exit at Cleveland Lakefront State Park.

Edgewater Marina Boat Club

Take Rt. 2 to the Edgewater park exit and follow the signs.

Edgewater Y C

Take Rt. 2 to the Edgewater park exit and Follow the signs.

Fairport Harbor Y C

Rt. 2 to Painesville-Fairport Harbor exit (535), North approximately 1 mile staying to the left to the railroad tracks. Turn left on the tracks and proceed to club gate by FHYC sign. Turn left over causeway and proceed to main club house.

Forest City Y C

Take I-90 to E-55 to the N. Marginal. Go west on North Marginal to 5301

Grand River Y C

Take RT. 2 to RT. 44 North. to Olive St. and take a right. Take a right on River St and follow the signs.

Harbor Y C -Ashtabula

Take Rt. 90 to Rt. 11 north. to 21st street take a left. Go to Columbus Ave. and take a right, go to the 4 way stop sign and turn left on 16. Go through the next stop sign and proceed down the hill through the gate into the club.

Huron Yacht Club

East or West on Rt. 2 to Rt. 13. North on Rt.13 across Rt. 6. Club on right.

Intercity Y C - East or West, Rt. 2 to Martin Luther King Jr. exit. North of freeway.

Island West Y C

Take Rt. 91 North from I90 or Rt. 2 freeway. Rt. 91 dead ends into Lakeshore Blvd. Turn right (East) on Lakeshore, at the first light take a left. Go down and turn Right at Admiral Dr. Go over the bridge and you are there.

Lake County Y C

Take Rt. 91 North from I90 or Rt. 2 freeway. Rt. 91 dead ends into Lakeshore Blvd. Turn right (East) on Lakeshore, cross over the river and go through the first light. Go 5 or 6 houses past the light and look for the light house on the left across from the school and turn left at the Lake County Yacht Club sign.

Lakeside Y C

Take I-90 to E-55 to the N. Marginal. Go west on North Marginal to 4851

Lyman Boat Owners Assoc. Meetings are held at Sandusky Maritime Museum Rt. 2 to Rt. 250 north to the Rt. 6 intersection. Proceed through the intersection to Sycamore Line Street. (Rt. 250 turns into Sycamore Line Street). Veer to the left at 3rd Street, onto Meigs Street. Continue on Meigs Street. The Sandusky Maritime Museum is located at Meigs and East Market Street on the left across from Battery park Marina and Damons Ribs.

Mentor Lagoons Y C

Rt. 2 to Hiesley Rd. exit and go North to Lake Shore Blvd (283). Go West (left) to Harbor Dr. on your right. Follow the drive down to the club house.

Mentor Harbor Yacht Club:

Take I90 or Rt. 2 to the Rt.615 exit in Mentor. Go north to the end which is Lakeshore Blvd. Turn left to Granada, then turn right to Coronada, then turn left into the Club.

Middle Bass Island Y C - Take Miller Ferry from Catawba Point.

Northeast Y C

Take 1 90 from the east or west to E140th St. Go North to Lakeshore Blvd. Turn Left onto Lakeshore to the second drive on the right or North side of the street. The second drive is at the end of The Regional Sewer Boards property and marked with - NEYC with red and green markers.

Old River Yacht Club

Take Rt. 2 to the Edgewater Park exit, then to West Shoreway Dr. to Whiskey Island Dr.

River's Edge Y C

Rt. 2 East to Painesville exit (535), at the bottom of the exit turn right, go through the first light and over the bridge. The first street on the left go straight through the gate. If you get to the second light you have gone 150 yards to far.

Point Y C - Located at Cedar Point.

Put-In-Bay Y C - Rt. 2 West toward Lorain/Sandusky, take OH West exit, turn right onto Port Clinton - Put-In-Bay. (Check ferry schedule/fares.)

Redbrook Boat Club - Take Rt 90 East To Rt 45 North, Take Rt 45 To End. Turn Right On Rt 531 East Go Approximately 1/2 Mile On Club On Left.

South Shore Cruising Club - Ohio Rt. 2 West, take exit 124 to merge onto SE Catawba Rd/OH-53 N/OH-53 Scenic N toward Catawba Island, continue on OH-53N past OH-168, Midway Marina, Port Clinton, is on the right

The Captains Y C - No club house Location to be announced.

The Sandusky Y C

From the East take Rt. 2 and take the Rye Beach Rd. exit, turn right (N). @ the top of the exit. Go 300 yards and turn left (W) on RT. 6. go about 4 miles, just past TGI Fridays turn right toward Cedar Point. At the light at First street turn left (W). Take first street to the light about 1 mile down and turn right Meigs Rd. Go until it dead-ends and turn left, turn right into Sandusky Y. C. From the West exit at Rt. 250 north to the Rt. 6 intersection. Proceed through the intersection to Sycamore Line Street. (Rt. 250 turns into Sycamore Line Street). Veer to the left at 3rd Street, onto Meigs Street. Go until it dead- ends and turn left, turn right into Sandusky Y. C.

Vermilion Boat Club:

Take I90 west. Keep right onto OH-2 towards Sandusky. Take OH-60 Vermilion exit onto State Rd. (OH-60 N) toward Vermilion. Turn right onto South St. (OH-60) then turn left onto Main St. (OH-60). Turn right onto Liberty Ave. (US-6) to 5416 Liberty.

Vermilion Harbor Yacht Club

Rt. 2 to Rt. 60 North, Right on South St. then Right on West River, Go over the Railroad Tracks the club will be on the left side.

West Channel Y C

Take Rt. 91 North from I90 or Rt. 2 freeway. Rt. 91 dead ends into Lakeshore Blvd. Turn right (East) on Lakeshore, go through the first light, just before the river look for Hartford Dr. on the left. Take the left and go into the club.

Western Reserve Y C

Rt. 2 to Painesville-Fairport Harbor exit (535), North approximately 1/2 mile over bridge. First Driveway on the left after bridge. Gate is to the left with sign. If you get to the second light you have gone 150 yards to far.

QUICK REFERENCE

EMERGENCY RADIO CALL PROCEDURES

1. MAKE SURE RADIO IS ON
2. ON DIGITAL SELECTIVE CALLING (DSC) RADIOS, LIFT COVER AND PRESS DISTRESS BUTTON FOR 5 SECONDS AND RELEASE
3. VERIFY RADIO HAS SWITCHED TO CHANNEL 16 AND GO TO STEP 5
4. ON NON-DSC RADIOS, CHANGE TO CHANNEL 16
5. PRESS AND HOLD THE TRANSMIT BUTTON
6. CLEARLY SAY: "MAYDAY MAYDAY MAYDAY"
7. ALSO GIVE:
 - VESSEL NAME AND/OR DESCRIPTION
 - POSITION AND/OR LOCATION
 - NATURE OF EMERGENCY
 - NUMBER OF PEOPLE ON BOARD
8. RELEASE THE TRANSMIT BUTTON
9. WAIT 30 SECONDS – IF NO RESPONSE, REPEAT "MAYDAY" CALL

HAVE ALL PERSONS PUT ON LIFE JACKETS

* Intentional hoax calls are an offense and subject to prosecution.

** The U.S. Coast Guard does not monitor Channel 16 for inland waters. Local patrol units may monitor channel 16 if capable.

VESSEL ACCIDENTS

Vessel Accidents (ORC 1547.10, ORC 1547.59 and OAC 1501:47-1-09)

The operator of a vessel involved in a collision or accident, to the extent possible without risking serious danger to their own vessel, crew and passengers, shall render assistance as may be practicable and necessary. Any person who renders assistance at the scene of an accident involving a vessel is not liable in a civil action for damages or injury from any act or omission in rendering assistance, except for willful or wanton misconduct. The operator having knowledge of the accident or collision shall immediately stop and remain at the scene, to the extent that it is safe and practical, and give the operator's name and address and the boat owner's name and address, and registration number to any person injured or to the operator, owner or attendant of any vessel damaged or to a law enforcement officer. If the accident results in loss of life, disappearance of an occupant, injury requiring medical treatment beyond first aid, damage to property in excess of \$1,000 or complete loss of a vessel, the operator shall file a full report on a prescribed form. If the operator is incapacitated, an officer shall file the form.

To receive a copy of the Boating Accident Report form:

- Download from watercraft.ohiodnr.gov/forms,
- Complete and mail the postcard in the back of this booklet,
- Contact a Parks & Watercraft Field Office,
- Call 877-4BOATER (Ohio Only).

Violation Resulting In Injury or Damage is Evidence of Negligence (ORC 1547.34)

Violations of watercraft law that result in injury to persons or damage to property shall constitute prima-facie evidence of negligence in a civil action.

Operating Under the Influence of Alcohol or Drugs Prohibited; Testing

ORC 1547.11 Operation, control, or manipulation under influence of alcohol or drug & ORC 1547.111 Implied consent to chemical test

No person shall operate or be in physical control of any vessel underway, or manipulate any water skis or similar device if the person is under the influence of alcohol and/or drugs.

NOTE: It is an offense to operate a vessel while having a Blood Alcohol Content (BAC) of 0.08 or more. A BAC less than 0.08 is admissible in court along with other evidence of impairment to prove operating under the influence. For persons under 21 years of age, it is an offense to operate a vessel while having a BAC of 0.02 or more. Further, it is an offense for persons under the age of 21 to purchase, possess, consume, or be under the influence of alcohol.

Penalty for Operating Under the Influence of Alcohol or Drugs

| OFFENSE | MINIMUM | MAXIMUM |
|---------|----------------------------|-------------------------------|
| First | 3 days jail \$150 fine | 6 months jail \$1,000 fine |
| Second | 10 days jail \$150 fine | 6 months jail \$1,000 fine |
| Third | 30 days jail \$150 fine | 1 year jail \$1,000 fine |

Any person who operates a vessel, water skis or similar device shall be deemed to have given consent to a chemical test or tests of their blood, breath, or urine to determine alcohol or drug content if arrested. If a person under arrest refuses to submit to a chemical test the person is prohibited from operating a vessel or water skis or from registering a vessel for a one-year period. If the person is the owner of the vessel the registration certificate and tags will be impounded for a one-year period.

Required Equipment for Boats in Ohio

NOTE: This chart is intended for quick reference only and is not a substitute for knowledge of the specifics of Ohio boating laws.

WARNING: If a vessel is exempted from carrying specific equipment, that does not mean that a wise skipper would not carry it anyway!

1) A title is not required for any vessel less than 14 feet long without a permanently affixed mechanical means of propulsion of 10 horsepower or more.

2) Exemption of OH numbers for those with alternate registration for handpowered vessels.

3) On vessels less than 18 feet in length, any child less than 10 years of age must wear a U.S. Coast Guard (USCG) approved flotation device at all times.

4) Exception for vessels propelled by an electric motor and vessels less than 26 feet in length designed for use with an outboard motor, of "open construction."

5) Exception for sailboats less than 26 feet in length with completely "open construction" and without propulsion machinery.

6) Vessels over 12 meters (39.4 ft) must have a power whistle.

7) Exception for any vessel less than 14 feet in length, any canoe and any sailboat less than 21 feet in length.

8) Applies to sailing vessels of 7 meters (23.0 ft.) or more in length.

9) Applies to sailing vessels less than 7 meters (23.0 ft.) in length.

10) Some varieties of Personal Watercraft may be exempted by the USCG. Consult your watercraft dealer or the manufacturer to verify requirements for these devices.

11) Every person on board a personal watercraft must wear a properly fitted Type I, II, III or V Flotation device.

12) Prohibited from operating between sunset and sunrise.

13) Applies to any vessel of 12 meters (39.4 ft.) or more in length.

* Federal waters in Ohio include Lake Erie and connecting bays and harbors, the Ohio River and the Muskingum River.

ATTENTION BOATERS

DO YOU KNOW YOUR LEGAL RESPONSIBILITIES AS A BOAT OPERATOR?

CARRYING REQUIRED SAFETY EQUIPMENT

REQUIRED ITEMS INCLUDE:

- Life Jacket(s)
- Fire Extinguisher(s)
(on most gasoline powered craft)
12 yr expiration now
- Anchor and Line
- Visual Distress Signal(s)
- Sound Signaling Device
- Navigation Lights
- Ventilation System
(gasoline powered only)
- Backfire Flame Arrestor
(gas engines, except outboards)
- Exhaust Muffling Device
(or underwater exhaust)
- Engine cut off switch lanyard
(PWC only)

ITEMS MUST BE:

- U.S. Coast Guard Approved
- In Good Serviceable Condition
- Readily Accessible
- Life Jackets Must be Correct Size
for each person

SAFETY TIP: *The items required vary by vessel type and length.*

Consult the Required Equipment Chart in the Ohio Boat Operator's Guide for details.

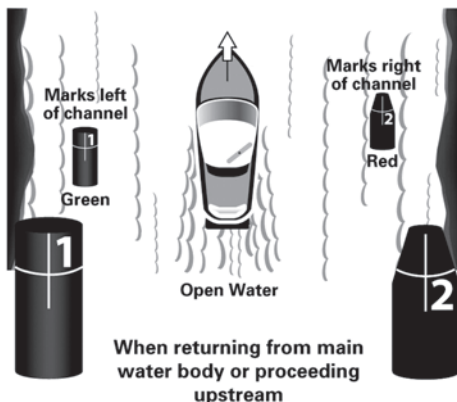

BOATING COURSE or EXAM REQUIREMENT

Persons born on or after 1/1/1982 must successfully complete a NASBLA approved boating course or proficiency exam prior to operating a powercraft more than 10 horsepower. When operating a rental powercraft more than 10 horsepower, they must do one of the following:

- Sign a statement that they have completed an approved boating course or proficiency exam.
- Receive educational material from the rental business and pass an exam given by the rental business (only good for that day).

CHANNEL MARKER BUOYS

All-green and all-red companion buoys indicate that the boating channel is between them. The red buoy is on the right side of the channel when facing upstream.

OPERATING YOUR BOAT SAFELY

RECKLESS OPERATION

Reckless operation laws apply to any person operating any type of vessel and includes persons being towed on water skis or any other device. Reckless operation includes operating:

- Carelessly or heedlessly
- In disregard of the rights or safety of any person, vessel or property
- Without due caution, at a rate of speed or in a manner that endangers any person, vessel or property

UNSAFE OPERATION

Unsafe operation laws apply to any person operating any type of vessel and requires that a vessel be operated in a reasonable and prudent manner at all times. Unsafe operation includes:

- Becoming airborne while crossing the wake of another vessel at a distance less than 100 feet or at an unsafe distance
- Operating at a speed and proximity to another vessel (or person being towed on water skis on other device) that requires either vessel to swerve abruptly to avoid a collision
- Operating less than 200 feet directly behind a person water skiing
- Weaving through congested traffic

UNSAFE CONDITIONS

By Ohio law, all of the following are unsafe conditions. An operator may be ordered to remove a vessel from the water if these situations exist:

- Insufficient life jackets
- Insufficient fire extinguisher(s)
- Overloaded, causing insufficient freeboard for the water conditions
- Improper navigation lights
- Fuel leaks or fuel in the bilges
- Inadequate backfire flame control
- Improper ventilation

SAFETY FOR PWC OPERATORS: *If a PWC engine returns to idle or shuts off during high speed operation, you will lose all ability to control the steering. You must use the throttle to swerve or otherwise maneuver to avoid a collision.*

NO WAKE & IDLE SPEED ZONES

These zones may be marked by bouys with an orange circle. These zones also include all areas within 300 feet of any dock, launch ramp, marina, harbor entrance, etc. Many lakes have an unmarked "shore zone" designated as "no wake." "Idle speed" and "no wake" means the slowest possible speed needed to maintain steerage and maneuverability.

CONTROLLED AREA (examples)
• No Wake
• Idle Speed
• Ski Zone

DANGER OR HAZARD (examples)
• Shallow Water
• Stumps
• Rocks

BOAT EXCLUSION AREA (examples)
• No Boats
• Swim Area
• Dam

INFORMATION (examples)
• Locations
• Directions
• Distances

OBEYING NAVIGATION RULES

The Navigation Rules are laws which help boat operators avoid collisions. The Navigation Rules include three major responsibilities:

- Practice good seamanship
- Keep a proper lookout
- Maintain a safe speed

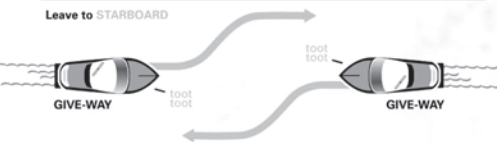

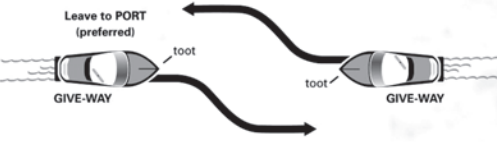

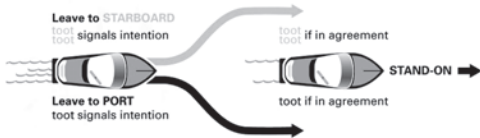

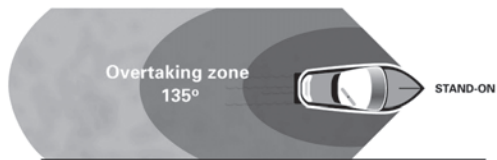

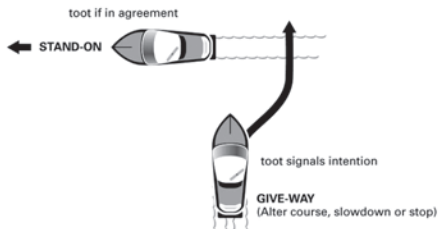

The Navigation Rules include Steering Rules which direct a vessels actions when approaching other vessels. The steering rules use the following terms:

Give-way Vessel – a vessel directed by a rule to keep out of the way of another vessel. A give-way vessel must take early and substantial (obvious) action to keep well clear.

Stand-on Vessel – a vessel directed by a rule to maintain its course and speed. A stand-on vessel must take action to avoid a collision if a give-way vessel is not taking necessary action.

When taking action(s) to avoid a collision, the action must be made in ample time, must result in passing at a safe distance, and changes in course or speed must be obvious.

SAFETY TIP: Give-way to boats that are less maneuverable than your boat such as barges, tugs, commercial boats, sailboats and non-powered boats.

The Nor Easter Club is an island oasis at the gateway of Lake Erie on Catawba Island. As a private club, our members are like a "close knit" family, where they can enjoy a variety of dining choices along with an Olympic size swimming pool and live entertainment.

If you are seeking a relaxing environment this summer, call us for a tour and come see what we have to offer you and your family.
